## 学术报告

**Title:** Fractons: Topological or not?

**Speaker:** Prof. Zhenghan Wang  
(*Microsoft Station Q and University of California at Santa Barbara*)

**Time:** 3:30pm, Tuesday, May 29, 2018

**Venue:** Conference Hall 322, Science Building, Tsinghua University

### Abstract

I will discuss fracton models and the question if they should be regarded as topological phases or not.
